**Totalx is exempt of all legal and judicial obligations concerning our partner's product, for we do not have any bond with it this way. This partnership is only a service, like this, it may be interrupted at any time.**

**TOTALX reserves the right to change these Terms of Use and the fees presented in our platform at any time, without previous informing the users.**

# 5. EARNING METHODS

## 5.1 Direct Indication Bonus

You will get earnings over each indication of new clients who purchase or renew a TotalX robot plan.

This bonus is 10% of the amount applied by the new client.

## 5.2 Binary Bonus

To be entitled to earn this bonus, you must have at least 2 active indicated users. The earnings will be based on the smaller team and can vary from 40% to 100%. Check it out.

PACKAGE	BINARY PERCENTAGE
Bird 1, Bird 2, Bird 3, Bird 4	40% (over the smaller team)
Shark 1, Shark 2, Shark 3	60% (over the smaller team)
Eagle 1, Eagle 2	80% (over the smaller team)
Total X	100% (over the smaller team)

## 5.3 Renewal Bonus

Every time you renew your package, the robot goes back to operating taking your earnings to 300% again, triplicating the amount and every time someone from your team renews a package, you receive 100% of the amount through the binary.

Every time someone from your team renews a package, the company pays you such as a new package was purchased in your network!

Note: the service amount is within the 300%.

## 6. CAREER PLAN - GRADUATIONS

At TotalX you can gather points and receive rewards for your achievements. The following list shows your title and reward for reaching it.

GRADUATION	POINTS REQUIRED	REWARD
Duke	8.000	Notebook
Marquis	15.000	Apple Watch
Count	35.000	Iphone
Viscount	80.000	Cruise Trip
Baron	200.000	Jetski
Lord	500.000	Citroen C3
Sir	1.200.000	BMW 320i
King	3.000.000	Land Rover
Emperor	10.000.000	Ferrari California

# 7. WITHDRAWALS

For the user to withdraw the amounts referring to bonuses, it is necessary to pay attention to the following rules:

## 7.1 Bonus Withdraw

### 7.1.1. Bank transference or Urpay.

Withdraw requests of these bonuses can be done if the available amount is at least at \$30. The user must request on Mondays from 8 am until 5 pm (Local time), and only one withdraw request is allowed per day. The bonus payment is done within 72 hours after the request.

### 7.1.2 Withdraw in Bitcoin

The withdraw request for this bonus can be done if the amount available is at least \$30. The user can request it at any time of the day (24h).

## 7.2. CASHBACK Withdraw

The balance and withdraw request liberation can only be done on the 1st day of each month.

### 7.2.1 Bank transference or Urypay.

After the request is done on the first day of the month, the bonus withdraw can be made if the amount available is at least \$30. The user must request on Mondays from 8 am until 5 pm (Local Time). The payment of this bonus is done within 72 hours after the request.

### 7.2.2. Withdraw in Bitcoin

After the request is done on the first day of the month, the bonus withdraw can be made if the amount available is at least \$30. The user can request it at any time of the day (24h).

# 8. GENERAL RULES

**8.1. Cashback** — When you hire one of our services, the earnings can reach up to 4% on business days, according to the plan hired by the client, with trades that happen until the client reaches 300% of the starting amount.

*Ex.: You purchased the BIRD 3 plan, of \$170, our robot will make operations up to 3 times bigger than this amount. Which is up to \$510.*

**8.2. Binary** — The two first indicated users do not give the client right for binary bonus earnings. The earnings are over the smaller team and after the third indicated user.

**8.3. Earning ceiling** — According to the starting hired service, the earning ceiling corresponds to the package purchased.

**8.4. Renewal** — Every time the amount reaches 300%, after 120 hours, the client must renew the package. By renewing the package, your sponsor receives binary points according to the service hired.

## FINAL CONSIDERATION

TOTALX reserves the right to change the conditions on this Terms of Use and the fees presented in the platform at any moment, without previously informing the users. This Term does not set any type of mandate, society, and/or association, working bond, agency, representing, syndicate or solidary responsibility between TOTALX and the user, which are independent legal entities and autonomous to all the right means, nor gives power to one of the parties to represent the other in any legal business. The relation established here between TOTALX and the user is exclusively valid for the effect of this Term.
